

KGH

LOCKING PIN 120dB ALARM WATERPROOF

Black Fluorescent Orange

Grip lock KGH

Features

120dB ALARM

Built-in 120dB anti-theft security alarm is extremely loud. When activated, the high-frequency sound can transmit up to 300 meters, making any illegal attempt to cut through the lock futile.

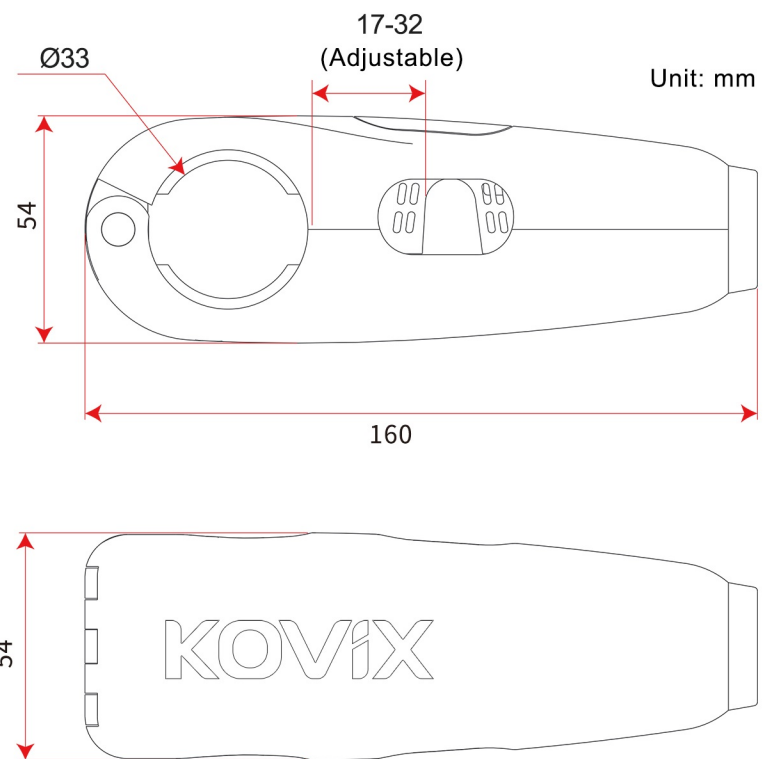

WEATHERPROOF

The handlebar lock has a special waterproof material to ensure its function in all weather conditions.
